Preparing Students for Life

Covedale School, serving grades K-6, offers your child an incomparable education that will help them go far.

For the 2021-22 school year, we will be back and stronger than ever with in-person learning five days a week and established safety protocols. Your child will experience our neighborhood school's:

- Kindergarten classes designed to meet students where they are to help them learn and grow.
- Community Leadership Academy that focuses on understanding our community and its history. It also incorporates the Leader in Me Program, which helps students develop timeless leadership and life skills, such as critical thinking, problem-solving, responsible decision-making, conflict resolution and collaboration.
- Full-time gifted teacher who works with students through project-based learning workshops, math enrichment services, accelerated classes and independent studies.
- After-school programs and extracurricular activities, including Brain Bowl, jazz band, soccer, tennis, choir, dance team and 3D printer club.
